### Registration Notes

- \* A maximum of 15 credit hours per semester is allowed unless approved by the MSSW Program Director and the Graduate School.
- \* Six elective hours are required and can be taken after completing all generalist requirements. Electives are offered in the spring and summer. In addition, a required course from another concentration or graduate level course may be taken with permission.
- \* Students enrolled in a graduate certificate program are required to take 3 or more electives depending on your certificate.
- \* Dropped classes will likely impact graduation and financial aid eligibility.
- \* Transfer and proficiency credits will most likely result in fewer credit hours in a semester, and this may impact financial aid eligibility.
